

List of market makers and authorised primary dealers who are using the exemption under the Regulation on short selling and credit default swaps

According to Article 17(13) of Regulation (EU) No 236/2012 of the European Parliament and of the Council of 14 March 2012 on short selling and certain aspects of credit default swaps (the SSR), ESMA shall publish and keep up to date on its website a list of market makers and authorised primary dealers who are using the exemption under the Short Selling Regulation (SSR).

The data provided in this list have been compiled from notifications of Member States' competent authorities to ESMA under Article 17(12) of the SSR.

Among the EEA countries, the SSR is applicable in Norway as of 1 January 2017. It will be applicable in the other EEA countries (Iceland and Liechtenstein) upon implementation of the Regulation under the EEA agreement.
